has successfully participated in the

## **I International Forum of English Teachers**

25 – 26 November, 2017

Over the course of the Forum the following topics were considered:

- Teaching and acting - a successful combination
- Interactive board – my digital helper at the lesson
- Exam preparation for young learners
- Turning your lesson into an educating game
- Using digital technologies and online resources to teach English
- Debates: how to run a productive discussion
- Project work at school
- Don't burn like a match: teaching and professional burnout
